## ABSTRACT

Abstract, and keywords, need to be prepared as shown here. These must be prepared in Microsoft Word using Times New Roman. The font sizes should be 12-pt for the title, 10-pt for authors' names, 9-pt for affiliations and e-addresses, and 8-pt for keywords. The abstract must be single-spaced, using 10-pt Times New Roman on A4 layout with margins of 3.5cm width on both sides. It should not exceed 200 words. It should summarise the contexts, contents, and conclusions of the paper. Preferably the abstract contains no citations of the references or embedded equations.

*Keywords:* keyword1; keyword2; keyword3 (*please give 3-5 keywords*)
